

## TECHNICAL DATA SHEET

LLG-Absorbent, 450 g oil and chemical binder, granules

Cat.No.: 4.682 249

- Product: Uni-Safe oil- and chemical binder
- Approved: VDI 2263 and BAM: DIN 53468
- Colour: light green
- Shelf life: 5 years, dry storage
- Bulk density: > 400 g/l
- Insoluble - only swell-able
- PH-value: ( 10 g/l H<sub>2</sub>O): 6.5 ± 0,5
- Non-inflammable BZ 3
- Exothermic decomposition: start in 240 °C
- No risk of dust explosion
- Product is hygroscopic

This information is based on today´s knowledge. It is to describe the product in view of safety demands and this is no assurance of any special properties.
